Sub: Third Party Testing of V STAB stabilizers and issue of test report.

Dear Sir,

This is in continuation with the discussions you had with Mr. Daniel John, Additional Director of ERTL(S) on 4/01/2002. We confirm that we can undertake third party testing of the V-STAB stabilizers and can issue the test reports.

As required by you we are offering you our lowest quote for the testing and issue of test reports for the V-STAB stabilizers. Our rate for testing of **one stabilizer is Rs 600/- provided a minimum of 100 units** are available for testing.

Looking forward to your valuable order.

Thanking you

Yours faithfully
